

**The original, textured cup  
exclusive to Castaway®**

Castaway® Dimple® paper coffee cups feature a unique textured design, providing excellent insulation properties, a comfortable hold, and allows you to differentiate your business from competitors with a distinctly unique cup.

Dimple® cups are manufactured in our own HACCP accredited facilities in Australia, providing a consistent and reliable supply of high quality textured cups, with a 'one lid fits all' solution.

**LIDS: Ongoing biodegradation  
measured to ASTM D5511  
standards\***

**One lid fits all 8oz,  
12oz and 16oz cups**

**Paper sourced from  
sustainably managed  
plantation forests**

**Australian made in  
HACCP accredited  
facilities**

\*Eco-Smart® polystyrene lids, bowls and plates have been shown to biodegrade 24% after 216 days, under conditions that simulate a wetter biologically active landfill, using the ASTM D5511 standard test. Note that a stated rate of degradation does not mean the product will continue to decompose. Testing continues on all Eco-Smart® products to track the rate of biodegradation. All data will be made available on our website: [www.castawayfoodpackaging.com.au](http://www.castawayfoodpackaging.com.au)
